# MOBILE HEALTHCARE DATA AND WORKFORCE COVID-19 ANALYTICS FOR A SAFER WORKPLACE

With the demand for mobile access to healthcare skyrocketing, AlertEnterprise and Buddy Cheque<sup>™</sup> have partnered to empower individuals and organizations with data and insights to create a safer workplace environment.

The inability to effortlessly share and access healthcare information has increased the negative impact of the COVID-19 pandemic on business operations, lengthened shut-down periods, and has complicated reopening efforts.

The Guardian and ConfirmD<sup>™</sup> platform integration delivers a secure digital healthcare data and analytics solution to help businesses reopen operations and return their workforce to offices with confidence.

# ConfirmD

- ConfirmD is a powerful Cloud-based Platform for accessing, verifying and securely sharing personal health data, including vaccination records and COVID-19 test results.
- Provides a portable, end-to-end encrypted, HIPAA-compliant health data platform.
- Results can then be accessed through QR Codes, allowing users to share summary reports with employers, public venues and stores, and other third-parties.

- 1. REGISTER
- 2. UPLOAD TEST / VACCINATION RECORDS
- 3. GET BACK TO LIFE

ConfirmD is available for download on iOS and Android app stores. Users register for the app and validate their identity using best-in-class verification methodologies.

#### **VACCINATION DASHBOARD**

Businesses gain a full view of vaccination among the workforce population with the platform's analytics and dashboards, and automate physical security controls to deliver frictionless access to the workplace according to COVID-19 vaccination re-entry policies.

#### ANALYTICS AND TRACKING ACROSS THE ENTIRE ENTERPRISE

Vaccination dashboards provide critical analytics and insights of vaccination status across the entire organization.
